

From
ground-breaking
to sky-scraping.

Property insurance solutions on a new global scale.

The AIG Global Property Division is a world leader in providing insurance, risk management and loss control services for commercial and energy property. Now we're thinking even bigger. With larger per-risk capacity, new resources and capabilities worldwide. Whether your needs are local, multinational or global, our industry specialists can coordinate consistent service from engineering to claims to establishing terms and conditions you'll want others to follow. To learn more, visit www.AIG.com/property

Bring on tomorrow

Insurance and services provided by member companies of American International Group, Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. For additional information, please visit our website at www.AIG.com.

Out here, you don't
walk away
from a commitment.

In the world of cyber security,
innovation is protection.

CyberEdge® insurance solutions keep you ahead of the curve.

Your company's information is at risk every day. And every day, that risk increases. Since 1999, AIG has been introducing advancements in cyber risk management. Today, our AIG CyberEdge app offers real time updates on data breaches, plus our proactive risk mitigation tools address network security, training and compliance to provide an additional layer of defense. Let us add our expertise to yours so you can stay ahead of the curve. Learn more at www.AIG.com/cyberedge
