

## At Dartmouth-Hitchcock, you are the medical center.

From the minute you pick one of our Primary Care doctors, you become our center of attention. Your doctor and her team will take care of your treatment, from wellness visits to appointments with specialists. You'll have easy access to 24/7 nurses, evening and weekend office hours and the world-class resources of the Dartmouth-Hitchcock medical system. Call 1-800-653-0776 for more. **Dartmouth-Hitchcock Primary Care. Putting you at the center of health.**
